President Anthony A. Frank
Colorado State University
102 Administration Bldg.
Fort Collins, CO 80523

Dear President Frank:

This letter serves to inform you that Colorado State University has successfully completed its Year 4 Assurance Review with no recommended monitoring.

Colorado State University will not receive an official action letter from HLC's Institutional Actions Council. This letter serves as your confirmation that this review is complete.

In two weeks, this review will be added to the Institutional Status and Requirements (ISR) Report, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <http://www.hlcommission.org/isr-request>.

The next step in the institution's ongoing accreditation relationship is to begin work on a Quality Initiative project and to prepare for the institution's reaffirmation review in Year 10.

If you have any questions, please contact the institution's staff liaison, Andrew Lootens-White. Your cooperation in this matter is appreciated.

Sincerely,

Higher Learning Commission
