Student Information

Student Credit Hour Production

This information was from the Office of Budgets and Institutional Analysis *Student Credit and FTE Report*. Course level student credit hours reflect the number of credits generated by the level of the course. For example, if a senior student was registered in a 100 level course, the student credit hours generated in this course were reported as lower division.

Full-Time Equivalent Students

Full-year full-time equivalent (FYFTE) students were calculated by dividing the total student credit hours by 30. The source of this data was the official *Student Credit and FTE Report* prepared by the Office of Budgets and Institutional Analysis.

Service Load Summary

This information came from the *Service Load Summary Report* prepared by the Office of Budgets and Institutional Analysis.
