Student Information

Student Credit Hour Production
This information is from the Office of Budgets and Institutional Analysis Student Credit and FTE Report. Course level student credit hours reflect the number of credits generated by the level of the course. For example, if a senior student was registered in a 100-level course, the student credit hours generated in this course were reported as lower division.

Full-Time Equivalent Students
Full-year full-time equivalent (FYFTE) students were calculated by dividing the total student credit hours by 30. The source of this data was the official Student Credit and FTE Report prepared by the Office of Budgets and Institutional Analysis.
