Appendix - Sources of Information

Student Information

Student Credit Hour Production

This information is from the Institutional Research *Student Credit and FTE Report.* Course level student credit hours reflect the number of credits generated by the level of the course. For example, if a senior student was registered in a 100-level course, the student credit hours generated in this course were reported as lower division.

Full-Time Equivalent Students

Full-year full-time equivalent (FYFTE) students were calculated by dividing the total student credit hours by 30. The source of this data was the official *Student Credit and FTE Report* prepared by Institutional Research.

Service Load Summary

This information came from the *Service Load Summary Report* prepared by the Institutional Research.

Undergraduate Student Credit Hours by Course and Faculty Type
